

2019
Education Celebration
benefiting SCHOOL ON WHEELS

THURSDAY, APRIL 18, 2019
 CRANE BAY INDIANAPOLIS EVENT CENTER

PRESENTED BY:

School on Wheels' annual Education Celebration raises over \$250,000 to provide tutoring and academic services to children impacted by homelessness.

Becoming a sponsor creates visibility for your organization, supports School on Wheels, and aligns your organization with a non-profit positively shifting the trajectory of Indianapolis children and families impacted by homelessness. This exclusive event positions your organization before 400 attendees and includes a cocktail reception, dinner, guest speaker, and a fundraising auction with one-of-a-kind packages.

Since 2001 we have worked to break the cycle of homelessness through education. **Won't you join us?**

IMPACT SINCE 2001

Over **78,000** one-on-one tutoring sessions to students experiencing homelessness.

Tutoring services to over **5,500** school-aged children experiencing homelessness.

Over **3,000** backpacks filled with school supplies.

Over **6,000** complete school uniforms to ensure kids meet dress code policies and can stay in schools.

PROGRAM OUTCOMES

98% of students who attended 30 + tutoring sessions were promoted to the next grade!

100% of families that participated in our school readiness pilot were referred to a high quality early learning program and began receiving critical academic and developmental services.

100% of families we worked with through the school enrollment process were matched with a school of their choice.

Dr. Matthew Morton
Guest Speaker

Dr. Matthew Morton is a Research Fellow at Chapin Hall at the University of Chicago with expertise in youth empowerment, homelessness, evaluation, and evidence-based practice. Dr. Morton currently leads youth homelessness work and international projects at Chapin Hall. He is principal investigator of Voice of Youth Count, the most comprehensive national research initiative to-date focused on youth homelessness in America.
